

Volunteer Opportunities

Conservatory Horticulture: Assist with horticulture maintenance in conservatory. Responsibilities may include picking up plant debris, up-potting, sweeping, insect scouting, washing plants, and general cleanup.

Greenhouse Horticulture: Assist with the production of 60,000 annual bedding plants, plants for display in the conservatory, and perennial plants for the conservatory and grounds display. Responsibilities may include seeding, taking cuttings, transplanting, watering, weeding, mixing soil and general cleanup.

Outdoor Horticulture: Plant and maintain themed gardens; perennial boarder, rose garden, herb garden, cottage garden, sensory garden, century plaza, community gardens, trees and shrubs. Seasonal tasks could include planting, mulching, weeding, pruning, mowing, string trimming, raking, and watering.

Community Gardening: Assist with maintenance of community garden grounds. Seasonal tasks include planting, weeding, cleaning abandoned plots, turning compost, cleaning and organizing sheds, picking up trash and occasional watering.

Children's Village Gardening: Assist in horticulture maintenance of grounds and greenhouse. Responsibilities may include weeding, watering, dead heading, seed sowing, mulching, planting, sweeping, and other seasonal tasks. Teaching, reading, and assisting with classroom set up is also available.

Education: Assist with the set-up of school and science-based field trips as well as drop in public programs. Helping students during class time, reading during story time and assisting with other events that may be seasonal.

Periscope Docent: The Periscope Docents are responsible for operating the periscope for visitors in the Wood Family Classroom.

Retail Volunteer: Retail volunteers will sell merchandise, memberships and tickets for events and programs in the Tilted Tulip Boutique, located in the New Grand Conservatory.

Clerical: Responsibilities may include assisting with mailing, data entry, copying, laminating, and filing.

Front Desk Greeter: Responsibilities include greeting the public and providing information about events, programming, membership, volunteer opportunities and general information about the Cheyenne Botanic Gardens and Cheyenne.

Development, Marketing, and Events: Assist with preparations for events. This can include mailings, event set up and tear down and other miscellaneous tasks.

Operations: Responsibilities may include winterizing buildings and water features, hardscaping, building repairs, minor construction projects, assisting with living wall and installing memorial plaques.
