CHEYENNE BOTANIC GARDENS POLICIES

RESERVATIONS

To secure a date for your event, signed copies of the Rental Contract and a 50% deposit must be provided. The remaining balance is due thirty (30) days prior to the date of the event. If the date booked is within 30 days of the Contract or the rental amount is less than \$150, all rental fees are due with the signed contract. All payments are non-refundable. Payment may be made with cash, check, debit card, or credit card. Please note: Debit and credit card transactions result in an additional processing fee of 2.5% per transaction.

CANCELLATION AND RESCHEDULING

If you must cancel your event, all payments are non-refundable. Cancellations caused by medical emergencies, a death in the immediate family, or military deployment are granted an 85% refund. You must provide a written notice of cancellation and proof of reason for cancellation. In lieu of cancellation, we can reschedule your event to an available date within one (1) year of the original event date; your event may only be rescheduled once.

CEREMONY TIMES

Sites are rented for time blocks specified; you may not enter rental space prior. Your event must end within the rental block. If needed, you will have one hour free of charge for clean up after your event. All members and guests of your party, any service contractors, vendors, planners, and others associated with your event may not enter before 8 am and must leave by 10 pm.

CONSERVATORY AVAILABILITY

Note that the Conservatory cannot be accessed by anyone associated with your event unless you have rented it. The Conservatory is only available for rental when we are closed to the public.

CLIENT REPRESENTATIVE

We strongly encourage you to hire or appoint a representative (i.e., wedding planner, trusted friend, or family member) to manage details during your event. On the day of the event, this appointed representative will work with the Gardens staff to ensure vendors and guests are following timelines and regulations and help with day-of activities.

INCLEMENT WEATHER

Rental fees will not be refunded because of inclement weather conditions. A backup indoor space can be rented in advance, if available, no later than two weeks prior to the event date. The fee for back-up spaces is 50% of the normal rate. You must make the decision to move the venue to your backup space no later than four hours before the event start time. You may not move your event indoors to public spaces if inclement weather makes conditions uncomfortable for your guests. Staff will lead you to shelter areas if weather conditions are dangerous.

GARDEN BEDS AND FLOWERS ON THE GROUNDS

Garden beds on the grounds are not planted until after June 1 due to risk of frost, with no designated date that each bed is planted. The Cheyenne Botanic Gardens does not guarantee any spaces will have the same appearance as originally viewed due to fluctuating weather patterns, planting schedules, construction and maintenance of grounds, storm damage, and availability of plants.

SETUP AND BREAKDOWN

Chairs and tables are provided as part of the rental fee for areas in and connected to the Grand Conservatory building, but are not provided in rental spaces on the grounds. They are set up according to the configuration worked out with staff of the Botanic Gardens. All items belonging to the Botanic Gardens will be set up and torn down by Gardens staff. Set up of all other items must occur during your rental period. Removal of personal items must begin immediately after your event concludes and cannot go more than one (1) hours beyond the end of the rental period. If client, guests, vendors, or others associated with your event are on premises beyond this time an overtime rate will be charged at the rate of \$200.00 per thirty (30) minutes.
